

HUGO JONES

Entrepreneur - Future Account Manager

PERSONAL PROFILE

Growing up in Shanghai, in a very international household, we spoke English, German and Chinese at home. I have travelled to many places in the world and I have a deep understanding of different cultures. Recently graduating with a Bachelor of 3D Character Animation, I am seeking to apply and expand my skills through industry experience. I am very adaptive and confident with personal relations and communication, I am also a strong leader in all aspects of my life. I am wanting to expand my employment abilities through an entry level position or internship. I am skilled in 3D animation, however i am eager to gain experience in other areas such as account management, social media production, public relations, and product development. I am hard working, creative and passionate, I feel that I would be a great asset to any organisation.
